

Benefits of Membership in the Kingdom

by Armando Rodriguez

Father has called us to glory. It is His good pleasure to give those that love Him a promised Kingdom which cannot be moved. It is His desire to reveal mysteries and things kept secret from the foundation of the world to those who receive His message with child-like faith. He has chosen the poor in spirit of this world and those rich in faith to inherit the Kingdom. Father has translated us into the Kingdom of his dear Son and will preserve us unto his heavenly Rule.

Jesus has given us the keys of the Kingdom of God. He will bind what we bind and loose what we loose. Those who forsake all for his sake will receive 100 fold in this present time and in the world to come they will inherit everlasting life. Though we enter His Kingdom through much tribulation, we will shine forth as the sun in Father's presence.

We are to seek first the Kingdom of God and his righteousness and all those things (eat, drink, dress) will be added to us. We are to be like scribes instructed unto the Kingdom of God who brings out of his treasure things new and old.

If we teach others to break the least of the commandments, we will be least in His Kingdom, but if we do and teach others the commandments, we will be great in the Kingdom of God.

The Kingdom is not in word, but in power. An entrance will be ministered to us abundantly into the everlasting Kingdom of our Lord and Savior Jesus Christ.

At the end of the age, Jesus will deliver up his Kingdom to God.
