

THE GENERAL EPISTLE OF JAMES

Father, thank you because we can ask you when we lack wisdom.

Thank You because you give wisdom to all men liberally.

Thank You because when we ask for wisdom, you do not upbraid us. You give wisdom.

Thank You for the crown of life that you have promised to those that love You.

Father, thank You because every good gift and every perfect gift is from above, and cometh down from You, Father of lights.

Thank You because there is no variableness, neither shadow of turning with You.

Thank You because of Your own will You begat us with the word of truth, that we should be a kind of firstfruits of Your creatures.

Father, thank You because the engrafted word is able to save your souls.

Father God, thank You because pure and undefiled religion before you is to visit the fatherless and widows in their affliction, *and* to keep ourselves unspotted from the world.

Thank you for the faith of our Lord Jesus Christ, *the Lord* of glory

Father, thank you because you have chosen the poor of this world rich in faith, and heirs of the kingdom

Thank you because You have promised Your kingdom to those that love You.

Father thank you for imputing righteousness to men who believe You.

Thank you for calling a man Your Friend.

We bless you Father God.

Father, thank You for making men after your similitude.

Father, thank you for the wisdom that flows from above. Wisdom that is pure, peaceable, gentle, easy to be intreated, full of mercy and good fruits, without partiality and hypocrisy.

Father, thank you because You give more grace.

Thank you because You give grace unto the humble.

Father, we submit ourselves to You

Father, thank You because we can draw near to you.

Thank you because You draw near to us.

Father, thank you because you lift men up when they humble themselves in your sight.

Father, thank you for the coming of the Lord.

Thank you because the judge stands before the door.

Father, thank You for being very pitiful and of tender mercy to Job.

Father, thank you because when we are afflicted, we can pray

Thank You because when we are merry, we can sing psalms.

Father, thank You. When we are sick, we can call on the elders of the church to pray over us.

Father, thank You because the prayer of faith will save the sick.

Thank you because you will raise up the sick.

Thank you for your forgiveness when we sin.
